

# Butterflies Café

Welcome to Butterflies Café. We hope you like our little space. It relies on the generosity of volunteers.

We are dog friendly, so please bring your fluffy companions inside for us to meet. Some of our smaller customers can be very way of dogs though, & we ask that you keep them on their leads.

If you have children with you we have some drawing packs. There are also toys in the back garden to play with. They're replaced & cleaned every day. We support breast feeding & can offer a quiet room if you would like some privacy.

We aim to have options on our menu to suit all dietary requirements. If there is some way we can adjust an item to better suit you please ask.

Order take away for a picnic or to sit out on the grounds in the sun.
